

# EVERGREEN MINISTRIES

**Brothers and Sisters,**

**In the early years of our married life, something happened that profoundly changed our relationship with each other.**

**Each of us entered into a close and intimate relationship with Jesus Christ. The nurturing and development of that relationship has given us a rock-solid foundation, provided the model on which we pattern our lives and our marriage and is still carrying us through the many circumstances (seasons) of our lives.**

**We believe that many couples today, like us, are looking for fresh and creative ways to nurture, cultivate and strengthen their marriage.**

**Evergreen was born from the seeds of that vision. A ministry that offers married couples memorable experiences, formation and tools that can reinvigorate your love and motivate you to cultivate lifestyle changes that make a lasting difference; a healthier and happier marriage, family and community.**

**In Christ's Love,  
Deacon Jim & Christy Wright**
